About

The Gulf Coast Gospel Music Awards (GCGMA) is the first of its kind on the MS Gulf Coast. It is an experience that brings artists together using music and performing arts at well-designed, elegant events to spotlight and advance each artist individually as well as collectively. We do this by providing resources and forums for personal and career development, events and collaborative programming, business and ministry connections, and by building successful relationships in the industry. We also strive to establish an environment where artists and other industry professionals are recognized for their achievements and their contributions to Gospel music and the communities they serve. We aspire to encourage mentorships and to inspire seasoned professionals to train and teach as vehicle to give back to the community. The Gulf Coast Gospel Music Awards proudly holds up an integral standard that showcases local persons in the community that exemplify positive lifestyles in the Spirit of Excellence.

Mission

To recognize the accomplishments of local and national performing artists, writers and industry professionals, and to provide a stable platform that will assist in the establishment and/or advancement of the artists' career locally, nationally and internationally in business as it relates to all things multi-media and ministry.

What We Believe

It is our belief that all artists who make positive contributions to community deserve recognition. We involve a collective community of persons in the awards and selection process. These persons are known as the *Academy/Guild*, which includes the supporter/buyer, producer/engineer, promoter, record company, management, Pastors/churches, etc. We collectively believe in the vision of the Founder, LeKeisha Cotten, and the Gulf Coast Gospel Music Awards' efforts to honor and support those who do the work, invest their time, and have a vested interest in music, the arts and the advancement of Gospel Music. We believe the Gulf Coast Gospel Music Awards' mission is a springboard for Kingdom Building.

Our Goals and Objectives

The Gulf Coast Gospel Music Awards has slated the following future Goals and Objectives to be accomplished within the next 3 – 5 years:

- **MUSIC EDUCATION PROGRAM** - This program will educate and train artists about industry-standards using workshops, hands-on studio classes, occasional high profile performance opportunities, event invites and local musical concerts and plays.
- **GOSPEL MUSIC ASSOCIATION** - The purpose of this association will serve as a HUB for local artists, musicians, dancers, songwriters and music connoisseurs along the Mississippi Gulf Coast. The Association will provide services, products and business connections to equalize the vast field of current artists, as well as its ever-growing population and tourism on the Mississippi Gulf Coast.
- **MULTIMEDIA STUDIO** – Its purpose will be to provide in-house radio, television and music studio recording capabilities for local artists in need. This company will produce a variety of shows, tv and radio broadcasts, music projects and arts creative projects.
- **MUSIC FACILITY HEADQUARTERS** – This state-of-the-art facility will encompass radio, TV, theatre and music education, recording and production capabilities for the Gulf Coast Gospel Music Awards staff and planning committees. The facility will operate under the auspices of the LeKeisha Cotten Enterprises® Brand.

What people
are saying!

“I had such a good experience last year at Gulf Coast Gospel Music Awards. [W]e already planning for this year.... By far its t[h]e best in my books LeKeisha Cotten you got my support 100%”

- Billy Bradley & Heart of Worship | South Carolina -

“I was at the first one last year and it was breath taking, this year was soul taking, this one left me blessed, motivated, passionate, did I say blessed and more blessed and inspired! Words can not even express how much gratitude I have towards you and your ministry.”

- Keneisha Williams Fairley | Mississippi -

“If y'all thought GCGMA 2018 was great, wait till you experience GCGMA 2019.....WOW"!!!!!! Everything done in the Spirit of Excellence

- Angela White Carter | Mississippi - ”
